iPhone warranty includes the standard Warranty service (free of charge), AppleCare Protection Plan (charged), and Backup Service Package (i) by SOFTBANK MOBILE.

Fees vary according to the level of damage in either services.

**AppleCare Protection Plan (charged)**

If you subscribe to AppleCare Protection Plan, APP registration certificate will be sent to you separately. Please keep it at hand.

**Backup Service Package (i)**

Subscription to this service is only available at the purchase of iPhone. 60% of the fee charged for the repairment (excl. tax) will be refunded. Please be aware that the submission of the necessary documents is required for the refund process. Refunded amount will be deducted from the monthly bills. Some payments are not in the scope for the refund, such as installment payment for the mobile phone. Please refer to our website and terms and conditions for the details.

**Repair service**

SoftBank shops do not provide repair service. Please contact Apple Authorised Service Providers, Apple Store or iPhone Technical Support Center.

[Apple Authorised Service Provider] <http://support.apple.com.au/wts/jp/>

[Apple Store] <http://www.apple.com/jp/retail/storelist/>

[iPhone Technical Support Center]

Phone number: 0800-2223-151

Business hour: Weekdays: 9:00-19:00, Weekends/holidays: 9:00-17:00

※Please make a backup of your data in advance for the smooth procedures.

**Required to join packet flat-rate services that SoftBank Mobile specifies and "S! Basic Pack (i)".**

•On additional purchase of a handset, the discount will be applied retroactively from the month of purchase.

•The packet flat-rate services that SoftBank Mobile specifies and "S! Basic Pack (i)" can not be detached while you are using iPhone.

• All usage while roaming abroad (SMS, S!Mail (MMS), web browsing, downloading/updating contents from App Store, etc.), International SMS, and International S!Mail (MMS) are all outside the coverage of domestic flat-rate discount services.

• Please note that data usage while roaming can easily reach a high Amount of charge. In order to avoid bill shock, it is recommended to refrain from downloading/uploading heavy contents.

•When you download motion pictures or use largevolume packet communications under our Global Roaming Packet Flat Rate, the upper limit of you payment is 2,980yen a day.

**Virus check/Spam check with Email (i)**

•Our company will implement virus check and detect/exterminate the virus automatically for all sending/retrieving mail. Default setting for the spam mail filtering is "normal", and the mail spoofing is "reject". Please confirm the SoftBank web page for the detail of setting for the spam mail block service.
