International Call

Calling Abroad from Japan

Make/receive voice and video calls.

- International phone service available without separate application.

Global Roaming

Using Handset Abroad

Handset is Global Roaming Service eligible. (Prior application may be required.)

- For details, see: http://mb.softbank.jp/en/global_services/global_roaming/ or contact SoftBank Mobile Customer Center, General Information (P. 15-51).

Emergency Calls

Your location is automatically reported to the corresponding agency (police, etc.) when you place emergency calls (110, 119 or 118) with SoftBank 3G handsets.

(Emergency Location Report)

- Registration and transmission fees do not apply.
- Positioning accuracy is affected by location and signal conditions. Always provide your location and purpose on the phone.
- Location Information is not reported when:
 - The call is placed without Caller ID (e.g. prefixed by 184). However, the corresponding agency may obtain your Location Information in a life threatening situation.
 - Abroad (International Roaming)

Emergency calls are possible even while some handset restrictions are active.
