**S! Applications &
Widgets**

Using S! Applications

Try out the preloaded S! Applications or download and use 943SH-compatible S! Applications, including games.

- Refer to the S! Application's help menu or the source Internet site, etc. for operational instructions.
- Subscription to Keitai Wi-Fi is required to use S! Applications over Wi-Fi.

Remote Control (Familink Remote)
- Use ファミリンクリモコン *for AQUOS* S! Application (Japanese) to control a TV, VCR, etc. via infrared.
