Reset Settings

Restoring Default Settings

[Start Here](#) → Settings → Phone/☎ → Master Reset →

Restoring default handset settings	<p>Reset Settings → Enter Administrator Code → Yes → Yes →</p> <ul style="list-style-type: none"> Some default settings may not be restored.
Clearing all Phone Book entries, Data Folder files, etc.	<p>Reset All → Enter Administrator Code → Yes → Yes →</p> <ul style="list-style-type: none"> Delete IC Card data beforehand. (Procedures to delete IC Card data vary by Lifestyle-Appli; contact Osaifu-Keitai® service providers for details.) Files and records deleted by Reset All cannot be restored. Reset All deletes all downloaded S! Applications and Lifestyle-Applications. Handset Code and Administrator Code return to the default state (unset).

- A confirmation may appear before entering Administrator Code; end the current function to proceed.
- When Double Number is active, regardless of usage mode setting, Reset Settings restores all default settings (Double Number is canceled), and Reset All clears all user files.
